

PLANT aMillionCorals

COCKTAILS FOR CORALS

DECEMBER 8TH, 2023

6-9 PM

At the South of the Seven Restaurant (17075 Overseas Highway, Sugarloaf Shores, FL 33042), we will celebrate the Plant a Million Corals Foundation and milestones in coral restoration. At our Cocktails for Corals, up to 150 guests will enjoy live music, cocktails, a silent auction, and heavy hors d'oeuvres while raising money for the ongoing programs of the Plant a Million Corals Foundation. Dr. Vaughan and the Plant a Million Corals Foundation team will share an update on operations, future plans, and opportunities for involvement with coral restoration and the restoration park. Signature cocktails and a diverse silent auction will make for a fun atmosphere for this “party with a purpose”!

**Tickets available for purchase at
www.plantamillioncorals.org**
