- Departures to airport

Meals, Travel, and Housing details

- Attendees are invited to arrive the day before the workshop on Sunday, December 3rd and stay until Friday, December 8th. Should you need to arrive or depart on another date, please contact PAMCF staff directly to discuss possible arrangements.
- We recommend those flying in from out of town to arrive at the Key West Airport (EYW). If enough participants need transportation to the facility, we will try to assist with accommodations. Should any participants choose to fly into the Miami International Airport (MIA), we are happy to share shuttle or ride share options. If enough participants need transportation to MIA, we will do our best to assist with coordination.
 - Key West Shuttle
 - Shuttle from the Miami or Ft. Lauderdale airports. Can be scheduled through the website to Brinton Environmental Center in Summerland Key
 - <http://keysshuttle.com>
 - Taxi or ride-share
 - Costs can be expensive but much more flexible, depending on your time constraints
 - Lower Keys Shuttle
 - County run bus system from Marathon to Key West. \$4
 - <https://www.kwtransit.com>
- The housing is indoor dormitory style with separate genders in camp style apartments with bunk beds. All linens and pillows are provided. Shampoos, soaps and sunscreen are not provided.
- Meals will be provided from Monday through Saturday with cafeteria style breakfast. Please supply your own beverages beyond the usual coffee, tea, water, sodas. If you are taking advantage of the meals on site, please complete and return the attached dietary forms. There will be food at the welcome reception as well.
- Within walking distance or short car ride, there is a U.S. Post Office, boutique grocery store, and convenience store, as well as restaurant.
- There will be scheduled 1 SCUBA or snorkel opportunities from a vessel at Looe Key Marine Sanctuary or a shore access in Key West State Park planting area. You may bring your own mask, snorkel fins if you prefer, but rentals will be available. Dive opportunities will be weather and visibility dependent at this time of year and water temperatures are variable. If you are choosing to SCUBA, please bring all certification documentation, as they will be required for SCUBA
- Post office, delicatessen, small grocery store, hardware store, coffee house and pizza parlor are all in moderate distance.
- If Covid tests are required for your return after the workshop, please alert us so we can make arrangements.

WELCOME TO SEA BASE FOOD SERVICE

We provide healthy options at all our meals: Proteins, Starch, Fruit and Vegetables. PB& J and Fruit available 24/7!

If you have a Food Allergy or Restriction, please fill out a form and notify us via email:

FSB.Galley@scouting.org at least 14 days in advance of your arrival!

We will do our best to provide you with appropriate substitutions or alternatives. We cannot guarantee equal substitutions for all items served at a meal but we will try.

As our standard, we offer: Dairy-free bread and bagels, Gluten-free breakfast sausage, Vegetarian options at all meals (even if it is the hot starch, vegetable and salad bar). We do not use any peanut or nut base oils (except olive) and use a rice bran oil in our fryers.

Although we may offer gluten-free, nut-free, dairy free, vegetarian or kosher items, we are unable to provide a separate prepping space of these items. We do however make sure we clean and sanitize prep spaces and utensils that we use per the health department & BSA requirements.*

**when necessary we use disposable pans for prep, cooking and service.*

THANK YOU FOR YOUR UNDERSTANDING.

IF YOU HAVE ANY QUESTIONS, PLEASE EMAIL: FSB.Galley@scouting.org
